**ENGLISH  
SCIENCE CAMP**

*Let's ignite our  
curiosity!*

**The 2022 English Summer Camp** is completely in English, structured in a playful, and at the same time, educational way. Based on a central theme that serves as a leitmotif between the lectures and the fun activities, ending with a final show dedicated to the parents completely in English, aimed at parents, in which all the children will participate. The lessons are held entirely in English and are taught by native, teachers with experience in teaching children and adolescents. During the day the children will carry out classroom activities in the morning and play activities in the afternoon. This year's theme will be Science so get ready to do lots of experiments! Lunch, which is included in the price, is prepared by our internal cooks and served in the school cafeteria. A moment after lunch is dedicated to English homework assigned for the holidays.

## WHO CAN ATTEND

Primary school children who have completed 1st grade up to 5<sup>th</sup> grade and for students who have finished the first year of middle school.

## ACTIVITIES

- **warmers / coolers** (group games in English to enhance listening and speech)
- **classroom activity** (classroom activities related to the theme with work sheets, conversation, language games, use of grammar, etc.)
- **crafts** (manual activities such as drawing, painting, manual jobs, preparation the final Science Fair, and much more!)
- **drama**
- **sports & games**

## WHAT TO BRING

A pencil case with pens, pencils, glue, scissors and colors; English holiday homework book; a bottle of water; a hat to protect yourself from the sun; sports shoes/sandals; comfortable & sporty clothing.
