ENGLISH SCIENCE CAMP
LET'S JUMP INTO PHYSICS!
UN SALTO NELLA FISICA!

The 2023 English SCIENCE Camp is a summer camp in English, for primary school children, dedicated to STEM disciplines (science, technology, engineering and mathematics), structured in a playful, and at the same time, educational way. It's based on a central theme that serves as a leitmotif between the teaching and the fun activities.

This year will be an immersion into the world of light and forces, with experiments, workshops, stories, games..

The lessons are held in English and are taught by English mother tongue teachers with experience in teaching children and adolescents.

Lunch, which is included in the price, is prepared by our internal cooks and served in the school cafeteria. A moment after lunch is dedicated to English homework assigned for the holidays.

WHO CAN ATTEND

Primary school children who have completed 1st grade up to 5th grade and for students who have finished the first year of middle school.

ACTIVITIES

- **warmers / coolers** (group games in English to enhance listening and speech)
- **classroom activity** (classroom activities related to the theme with work sheets, conversation, language games, use of grammar, etc.)
- **crafts** (manual activities such as drawing, painting, manual jobs, preparation the final Science Fair, and much more!)
- **drama**
- **sports & games**

WHAT TO BRING

A pencil case with pens, pencils, glue, scissors and colors; English holiday homework book; a bottle of water; a hat to protect yourself from the sun; sports shoes/sandals; comfortable & sporty clothing.

And the end of the summer camp, children will be given a certificate of attendance and a container to take home all the projects they did during the summer camp.

TYPICAL DAY

8:30am – 9am	Arrival time
9am	Activities begin
9am – 9:30am	Warmers
9:30am - 10:45am	Classroom activity
