**ENGLISH SUMMER CAMP**  
**2024**

**DAL 17 AL 28 GIUGNO**

**DRAMA!**

The 2024 English Summer Camp is a summer camp for primary school children. It is structured in a playful and educational way. It is based on a central theme that serves as a leitmotif between the teaching and the fun activities.

This year camp is dedicated to theatre: we will write plots, stage sketches and create our own dialogues, scenes, costumes...

The lessons are held in English and are taught by English mother tongue teachers with experience in teaching children and adolescents.

Lunch, which is included in the price, is prepared by our internal cooks and served in the school cafeteria. After lunch the children will be able to do their English homework assigned for the holidays.

**IMPORTANT!**

The Management informs that attendance can be suspended at any time due to improper behavior or inadequate language.

**I authorize** the school to periodically check my child's hair to prevent the spread of pediculosis;

**I authorize** my child to participate in the organized outings for which we will inform you of beforehand.
